

Artwork Requirements

If you are supplying your own artwork for a lectern, please read the following guidelines.

- Supply your artwork as a flattened PDF with text converted to curves.
- Resolution of 300 dpi for images.
- The artboard is to be 20mm larger than viewable area.
- Bleed the background colours to the edges of the artboard.
- Remove printing reference marks, if applicable.

Email you artwork directly to design@earth-anchors.com or use WeTransfer.

	Viewable Area	Artboard Size
A3	420 x 297	440 x 317
A2	594 x 420	614 x 440
A1	841 x 594	861 x 614
